MEMORANDUM FOR THE RECORD

SUBJECT: Discussion on Flight Simulation Work

[REDACTED]

1. [REDACTED] and I  
discussed the continuation of the flight simulation work [REDACTED]

[REDACTED] This work, which was originally concerned with the  
[REDACTED] has  
broadened to include a study of aircraft attack tactics and other  
such matters which are of some interest to OEL, but of particular  
interest to OSA and OSI.

2. [REDACTED] agreed that the responsibility and broad  
direction of this work should come from OSA, and he will hold a  
conference this week with OSI and OEL representatives to chart  
out FY-66 work.

3. It was agreed in the Program Review Board meeting,  
Monday, 14 June, that ASD would fund the work for the remainder  
of this fiscal year in the amount of [REDACTED]
